

## Need Assistance?

The **Colorado Water and Wastewater Mentoring Program** can help. The Program matches those with a need to those with expertise. From Operations to Regulatory Compliance, the Mentoring Program has been developed to get you the information you need.

## Be a Mentor!

Lend your knowledge to those who have a need. From answering questions on-line to facility visits, *you can make a difference!* Mentors are needed in the following areas:

- Regulations
- Treatment
- O & M
- Administration
- Laboratory
- Safety/Security
- Operator Certification

Sign up today to benefit others with your expertise.

## Enroll in the Program

Go online to enroll:

[www.cwwuc.org/mentoring/](http://www.cwwuc.org/mentoring/)

or, Complete the enclosed form and send to:

## Water and Wastewater Mentoring Program

In 2006, the Colorado Water Utility Council, Colorado Wastewater Utility Council and Colorado Rural Water Association joined forces to develop the **Colorado Water and Wastewater Mentoring Program**.

The Water and Wastewater Mentoring Program is designed to provide an opportunity for those in the water and wastewater fields to share their knowledge on a variety of subjects. This is a FREE Service!

Take advantage of peer-to-peer personal and on-line mentoring services. Consult with others in the field to address treatment, compliance and water quality issues.
