III. Updates

- Water Utility Council - Meeting was held on Friday, April 3, 2009. The CWWUC is an independent organization while CWUC is under the control of AWWA. They are considering breaking away from AWWA.
- Mentoring. Paul G. gave an update on the Easter Seals project. The Mentoring Program help has saved Easter Seals over \$1 million. The Towns of Sedalia and Elizabeth have requested help from the Mentoring Program.
- WEF Biosolids - No report.
- Antidegradation, Mary Gardner. Need to check with Steve Gunderson as to what is happening. Send a letter to Steve so that we can have a discussion soon. Mary to prepare a letter to send to Steve asking him the status of the antidegradation process.
- Stimulus Package - The State is working on the list. It is the #1 priority with the Division.
- Stormwater Council - No report.

IV. Open Discussion

- Regulation 30 hearing for the South Platte (Segment 14) is set for June 2009. More discussion at the May Council meeting.
- American Board of Certification - voluntary program now.

The meeting adjourned at 3:45 PM.

Next Meeting: May 13, 2009 at 1 PM at L/E WWTP
